Reflection and Discussion Questions

1. Read Revelations 13:8 aloud. How many humans existed before the foundation of the world? If the cross has been the plan since before creation, what does that reveal about God and His character? What does it reveal about humanity?
2. Read Matthew 27:46 aloud. What do you think Jesus is communicating through this statement?
3. **What was your favorite “God Shot” this week? What did you learn about His character from these readings?**
