Reflection and Discussion Questions

1. Read Psalms 75:1. One by One, recount one of God's wondrous deeds to you personally from the past week.
2. Was it hard to see David sin on so many levels? Why do we often want to make heroes out of humans in Scripture? Why is it important for us not to do that?
3. **What was your favorite "God Shot" this week? What did you learn about His character from these readings?**

The Bible Recap

[Bible Recap:](#)

Life drains us. Stress, worry, and hardship take a toll on our souls, leaving us weary and discouraged. But God is the great Restorer. He doesn't just mend us—He renews and refreshes us completely. When we come to Him, He revives our hearts, strengthening us to keep moving forward. His restoration is not temporary; it is deep and lasting, filling the empty places within us.

God's restoration comes when we surrender. Often, we try to fix ourselves, thinking we can push through exhaustion on our own. But true renewal comes from resting in Him. He knows exactly what we need and leads us toward healing. When we trust Him with our struggles, He replaces our burdens with His strength. No matter how broken we feel, His restoration is always available to us.
